

Top 10 reasons to be a Member

1. We have A LOT of fun while doing great work for our kids and their school.
2. Becoming a member does not mean you will be called to host the Bingo night... It simply means that you support our school's PTA.
3. PTA members will receive a discount on paid PTA events such as bingo night.
4. Joining PTA does NOT mean you will be automatically placed on a committee
5. Your membership - \$6.00 per person or \$10.00 a couple, does a lot for our school and other schools in Maryland.
6. You can vote on decisions that affect our school's PTA.
7. You will hear it first– PTA is the best way to know what is happening and what is being planned for your child's education. Come to a meeting to see for yourself.
8. The homeroom class with the highest % of members will win a prize.
9. Being active in our child's school enables us to be kids again.
10. Your kids like when you are involved in their school. Hearing, "Mom, Dad, You're awesome" is worth the membership fee alone!
